27 for a program in which the upper income limit is no more than one hundred

29 be construed to impose a duty on an officer, agent or employee of the state
30 to discharge a responsibility or to create any right in a person or group if
31 the discharge or right would require an expenditure of state monies in excess
32 of the \$120,087,700 appropriation.

33 The amounts appropriated for day care subsidy and transitional child

20 due for services provided in July 2006 shall be paid to providers no later
21 than September 15, 2006.

39 specify the monies budgeted for each listed site during fiscal year
40 2006-2007. In addition, the department and the advisory board shall prepare
41 and submit to the joint legislative budget committee, by October 2, 2006, a
42 report in a table format summarizing the current progress on remediation of
43 each listed site on the WQARF registry. The table shall include the stage
44 of remediation for each site at the end of fiscal year 2005-2006, whether the

2006-2007 and the anticipated stage of remediation at each listed site at the end of fiscal year 2007-2008 assuming fiscal year 2006-2007 funding levels. The department and advisory board may include other relevant information about the listed sites in the table.

The department of environmental quality shall submit to the joint legislative budget committee for review a written report detailing the maximum, minimum and average water quality permit processing times for fiscal year 2005-2006 and fiscal year 2006-2007 by December 1, 2006. The fiscal year 2006-2007 data shall contain the year-to-date actual data and projected totals for fiscal year 2006-2007. This report shall also include total number of staff hours devoted to water quality permit processing in fiscal year 2005-2006 and fiscal year 2006-2007, the total costs to process these permits and the progress made in reducing water quality permit processing times.

All indirect cost recovery fund revenues received by the department of environmental quality in excess of \$9,969,400 in fiscal year 2006-2007 are appropriated to the department. Before the expenditure of indirect cost recovery fund receipts in excess of \$9,969,400 in fiscal year 2006-2007, the department of environmental quality shall submit the intended use of the monies to the joint legislative budget committee for review.

Any transfer from the amount appropriated for the Arizona pollution discharge elimination system special line item shall require prior joint legislative budget committee review.

41 The department shall report to the joint legislative budget committee

 43 rate changes for the following fiscal year along with the reasons for the
 44 estimated changes. For any actuarial estimates that include a range, the
 45 total range from minimum to maximum shall be no more than three per cent.

1 Before implementation of any changes in capitation rates for the

8 services, the department shall prepare a fiscal impact analysis on the
9 potential effects of this change on the following year's capitation rates.
10 If the fiscal analysis demonstrates that these changes will result in

13 committee for review. The department shall also report quarterly to the

35 (1) potential shortfalls in programs, (2) potential federal and other funds,
36 such as the statewide assessment for indirect costs, that may be available to

Notwithstanding section 35-173, subsection C, Arizona Revised Statutes, any transfer to or from the amounts appropriated for seriously mentally ill state match for title XIX, seriously mentally ill nontitle XIX, Arnold v. The department may transfer monies between the amounts appropriated for proposition 204 children's behavioral health services, proposition 204 seriously mentally ill services, and proposition 204 general mental health and substance abuse without review by the joint legislative budget committee but may not transfer monies to and from these line items to any other line item except as provided above without review by the joint legislative budget committee. The amounts appropriated for these items shall be used exclusively for contracts for the provision of services to clients unless a transfer of monies is reviewed by the joint legislative budget committee or unless otherwise permitted to be expended for administrative costs as specified in this act.
